Who We Are

The Hammond High Boosters Club is a 501c3 non-profit organization. We are a group of parent volunteers dedicated to enriching our students' high school experience and promoting involvement and School Spirit. We help support the extracurricular activities of our Golden Bears. We celebrate our students' effort and achievement in activities outside the classroom through school spirit, parental and community involvement. The Boosters have allocated funds for academic programs, the performing arts, athletics, After Prom, student activities and capital enhancements to our campus. The Golden Bear Booster club contributes over \$25,000 a year to the Students of Hammond high, through the help of parents and community members.

What we do

The Booster Club

- Operates the concession stands for sporting, dance, theater and other events.
- Promote School Spirit.
- Annual Golden Bear Gala Fundraiser
- Support Spirit Week
- And so much more.

How You Can Help

All Booster events require parent and teacher involvement. Your time and support is invaluable. Help us continue our mission by getting involved and staying informed. Please consider joining the Booster Club and help support the students of Hammond High School.

- Become a Member
- Volunteer at the Concessions Stand (<http://www.hammondboosters.org/volunteer/>)
